[redacted] Asbestos Factory No. 5 in Asbest/. In the summer of 1955 there were so many cases of tools and equipment being stolen, that work sometimes stopped for lack of tools. Once the transformer for electric welding and five wire coils, each weighing 100 kg. were stolen. [redacted] these were acts of sabotage. One morning, when everyone arrived at work, they saw a sign written in chalk on a boiler in Russian "Why are you all still working?" [redacted]
